BUDAPEST 2026

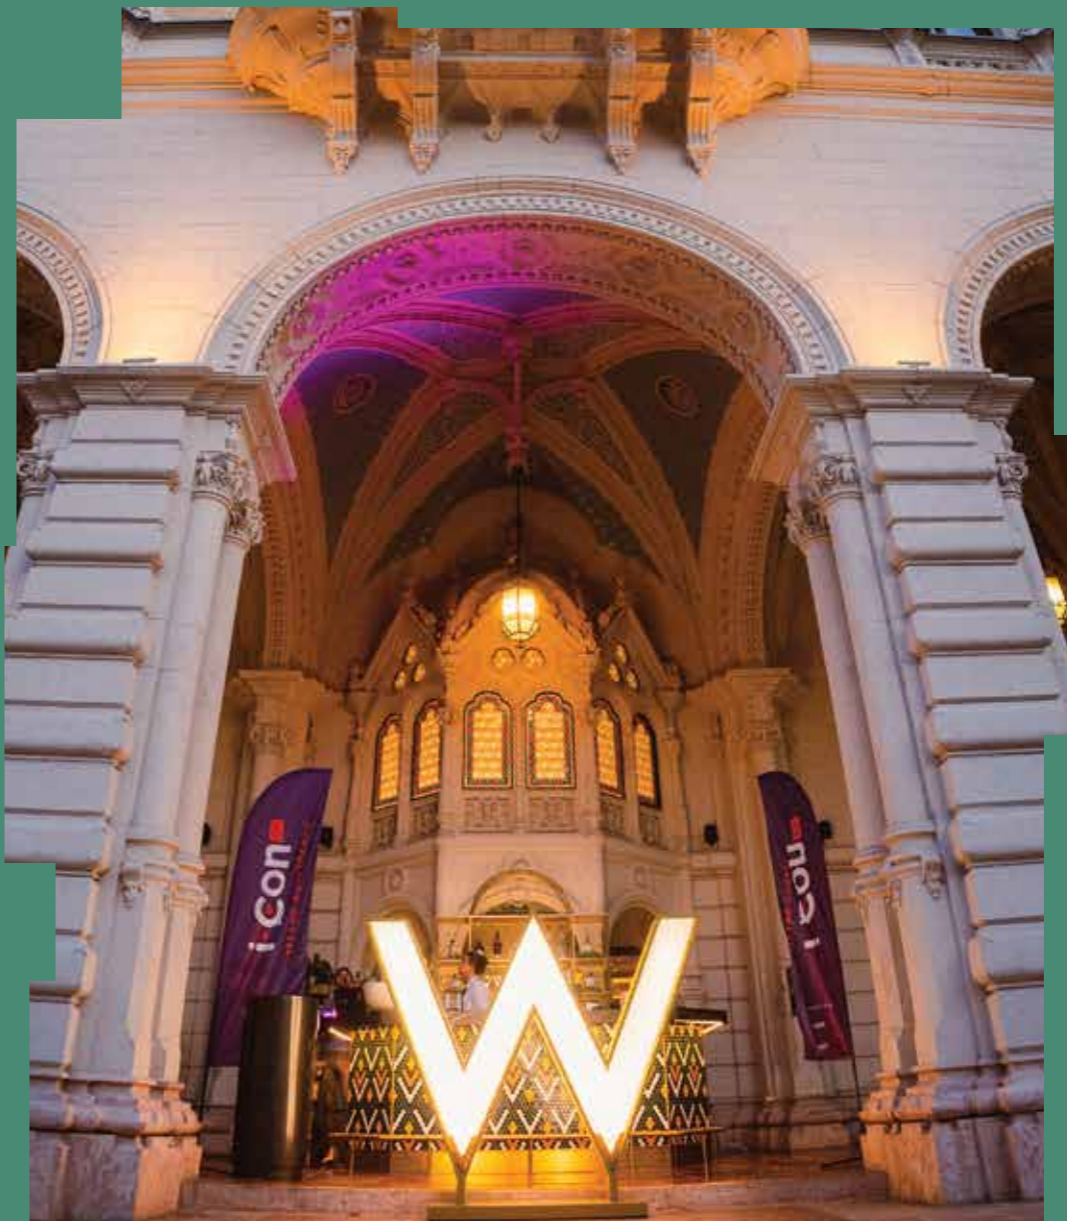

Following last year's massive success, we're making an even bigger, bolder comeback to Budapest!

This year, we are raising the bar, with a private, high-caliber gathering designed around a multifunctional concept.

Hosted in the city's crown jewel, the **W Hotel Budapest**. Located within a **UNESCO World Heritage Site**, reimagined as a "**Trophy Asset**" on Andrassy Avenue, in the historic **Drechsler Palace**.
